EXPERIENCE

Date: September 2020 – Present
Employer: **HUMAN TECHNOPOLE FOUNDATION**
Position: **Institutional and Public Affairs Manager**

Reporting directly to the President, as Institutional and Public Affairs Manager I am in charge of supporting the external relations of the Foundation, with a specific focus on Governmental institutions (national and local), European and international organisations, business associations and companies. Among my responsibilities, I develop the institutional relations strategy of the Foundation, with reference to national stakeholders, I support dissemination and social dialogue and monitor legislative activities. I also represent corporate position in public events and ghost-writing documents, articles and speeches for the President.

Date: June 2019 – August 2020
Employer: **CASSA DEPOSITI E PRESTITI S.p.a.**
Position: **Senior Institutional Relations Manager – Stakeholders & Associations**

I was in charge of the institutional relations with the Italian entrepreneurial associations, the institutional investors, universities, think tanks and the financial community, in order to advance the CDP Group's position with these relevant stakeholders. I contributed to the development of the Group's stakeholders management strategies and to the implementation of events, initiatives and strategic information campaigns in line with our Industrial plan and in strict cooperation with our Business and Marketing and Communications Departments. Moreover, I represented the CDP Group in national initiatives and events, to strengthen the institutional prominence of the Group, in line with the targets of the Industrial Plan.

Date: November 2015 – June 2019
Employer: **TREVI Finanziaria Industriale Spa**
Position: **Institutional & International Relations Manager**

In TREVI, I was responsible for the liaisons with national, international and EU institutions, in order to advance the Group's position with relevant stakeholders. I also implemented activities of international business intelligence, monitoring Italian and international decision makers' legislative activities and global macroeconomic trends to draft scenario reports and identify business opportunities for the divisions of the Group.

I give my consent to the use of my personal data.

Moreover, I was in charge of developing and implementing strategic plans and operational actions versus dossiers affecting the TREVI Group's business. As Institutional Relations manager of the Group, I worked directly with the Board to achieve organizational goals and objectives by administering the public relations initiatives. Other responsibilities included representing the Group's corporate position in public and business networking events as well as ghostwriting documents, articles and speeches for the members of the board.
